RedArrow LOGISTICS

We treat your cargo and supply chain as if it were our own."
– Liz Lasater, CEO
Red Arrow Logistics

As the next generation model of logistics companies, Red Arrow Logistics has the global network, supply chain expertise and a nimble approach to creating strategic and innovative solutions for special projects and complex supply chains.

No Shipment is Too Big or Too Complex

With over 4,000 regional and national contracted carriers in the U.S. and service in 185 countries worldwide, Red Arrow offers scale and the scope of services to meet the budget and schedule requirements of the largest and smallest companies alike.

Red Arrow develops and executes competitive solutions to ensure that your business drivers of readiness, shipment accuracy, timeliness and sustainability are achieved. Its experience ranges from retail new product roll-out and disaster relief to high volume regional distribution and defense depot fulfillment.

An Extension of Your Shipping and Logistics Department
